

YOUR HEALTH – Beirut & Mount Lebanon

PRIMARY HEALTH CARE CENTRES

Refugees can see a doctor at a Primary Health Care Centre for health services, such as for vaccination, consultations for chronic & acute diseases and follow up on pregnancy, family planning and other reproductive health services. You can also receive mental health treatment. You will receive subsidized cost for consultations, laboratory and diagnostic tests. You will receive your medications for free.

You will have to take an appointment at one of the following:
